- Choose whether agri-environment schemes may be suitable for the farm (England only)
- Know the requirements for the Basic Payment Scheme, cross compliance and agri-environment schemes

Content:

Current EU legislation will have an impact on all farm businesses. This course will help you understand these changes and how they will affect farming operations. This is an entry level course providing an overview of the law relating to the Basic Payment Scheme, cross compliance and agri-environment schemes, to the extent that they relate to land management. A basic overview of these subjects is provided to equip the user with a good understanding of why the schemes exist, qualification criteria and how they work.

This course is split over three sections, followed by a short test:

- Section 1: Basic Payment Scheme (BPS) – an overview of the BPS requirements
- Section 2: Cross Compliance – relevant areas of cross compliance (i.e. those relating to land and vegetation management) for the BPS and agri-environment schemes in England
- Section 3: Agri-environment Schemes – a summary of options in England
- Test: At the end of section 3 there is short test. Users need to score 75% or more in the test to be awarded CPD points
